

Serving Those Who Serve Florida

Dear Members,

We are excited to announce a new opportunity available to members of the Florida Insurance Trust. Effective May 1st, 2010, major medical coverage will be available for purchase by FIT members.

In a time of skyrocketing medical costs and uncertainty surrounding the immediate and long-term effects of legislative reform, many non-profit organizations have been forced to cut back or even eliminate their health insurance coverage altogether. Fortunately, thanks to the new health coverage options available to the Florida Insurance Trust, non-profit organizations like you have other options to consider.

By utilizing cooperative purchasing, members of the Florida Insurance Trust are afforded preferred pricing on medical insurance plans without sacrificing any coverage. We're driving down costs even lower by developing an option for major medical coverage that requires less employer contribution.

Because we have experience managing non-profit risk, we understand the nature of non-profit organizations and the issues that are pertinent to them. In fact, we've partnered with insurance companies to design innovative and cost-cutting programs for the particular use of non-profits.

Self-funded insurance coverage can be an intimidating concept for those who aren't familiar with it. The simple fact of the matter, however, is that we already have members on self-funded plans that are happy with them and saving an ample amount of money.

We are thrilled about our new offering of major medical health insurance coverage. We know it will bring monumental value to non-profit organizations and their hardworking employees across the state of Florida.

In these hard times, every dollar counts. Less money in the pockets of the insurance companies means more money saved for your valuable organization. Please complete the confidential [FIT Health Survey](#), so you can receive a free, no-obligation quote, and use that information to choose the most affordable and valuable health insurance plan for your organization.

For more information, contact John Orebaugh at John.Orebaugh@NPIS.com, (888) 794-7771 (toll-free), or (407) 936-2132.

Sincerely,

Joe Aniello
