On behalf of the board of directors for the Florida Insurance Trust, we would like to cordially invite you to join us at the first annual membership educational retreat for both the existing and potential members of FIT. The retreat is being held at the beautiful Rosen Shingle Creek Resort in Orlando. The meeting opens at 11:30am on October 2nd and closes at noon on October 3rd. There will be guest speakers regarding insurance, government relations, community services, as well as other topics. A luncheon, cocktail reception and dinner will be provided.

Who Should Attend? Anyone at your non-profit entity who is responsible for determining insurance needs or who purchases insurance coverages, such as risk managers, human resource directors, CEOs and CFOs. Some points that will be covered will be of vital importance, including coverages supplied by the trust and the importance of being in a member-owned trust. It is important that everyone who is able attend. Please click on the Agenda link for detailed information.

The Rosen Shingle Creek Resort is located in southwest Orlando, just minutes away from Disney and all other area attractions. There is no conference nor registration fees and FIT will pay for the hotel rate for current FIT members. Mr. Rosen has generously reduced the per night room rate to \$129.00 for those who wish to extend their stay at the resort through the weekend.

If you know of anyone who is a non-profit and interested in becoming a member of FIT, please let us know so that we may extend an invitation. Please complete the registration form located at the Registration link above and return to Melissa Sonnenschein at [melissa.sonnenschein@npis.com](mailto:melissa.sonnenschein@npis.com) or via fax to 407-936-2482. If there are any questions, please contact us at 407-936-2132 or 888-794-7771. We look forward to seeing you in October.
