

FOR IMMEDIATE RELEASE:

“Florida Insurance Trust” Receives statewide endorsement from:

Florida Coalition For Children

The Florida Coalition for Children has conducted a four month review of the only non-profit insurance trust in Florida; Florida Insurance Trust (FIT). Upon completion of this process a recommendation was made and confirmed by unanimous vote at their February 6th board meeting to fully endorse the Florida Insurance Trust.

Mr. Michael Cusick, President and CEO of the coalition stated; “The Florida Coalition for Children advocates for Florida’s abused and neglected children and supports the agencies and individuals who work on their behalf. These non-profit, charitable organizations need to spend their time taking care of children and strengthening families. The FCC has fully endorsed the Florida Insurance Trust because FIT will help these hard working organizations save limited resources and stick to what they know and do best.”

Florida Insurance Trust (FIT) is the first and only insurance trust in Florida devoted exclusively to non-profits. FIT is professionally administered by Non-Profit Insurance Services, inc. (NPIS). Mr. Shane Caldwell, CEO of NPIS stated; “We are proud to be associated with the Florida Coalition for Children and the outstanding service that their members provide to the children and families in Florida. We look forward to working with them on reducing the expense of insurance premiums so that the funds may be better utilized in providing for the children of Florida.”
